Hearing Your Experience

WHY WE DO WHAT WE DO

Here's what our customers had to say about
Asian Paints Safe Painting Services

“ Dr. T. Venkatesan, Bangalore

A commendable job was done in refurbishing my home. Great precautionary measures were taken. The entire team was disciplined, cooperative, professional and hard-working, especially Mr. Raju. We were immensely satisfied with the Asian Paints Service and would recommend it to all our friends and relatives.

“ Shubhendu Halder, Kolkata

The endless hours spent working and the professionalism shown was very impressive. The team worked with diligence, self motivation as well as dedication. Really appreciate such amazing and safe services delivered. Thank you, Asian Paints.

“ Ishwarya Swaminathan, Chennai

We want to thank you and your team for painting our house to perfection. It has been turned into a colorful space. The workers were extremely organized, friendly and very professional throughout the process. We are all very impressed with the service.

SERVICES YOU CAN AVAIL

Interior & Exterior Painting

Long lasting superior finish with 2200+ shades to choose from. Range of products from the house of Asian Paints, offering product warranty on select products

Speciality finishes

An array of special effects for the interior and exterior walls of your home to get the desired looks.

Wood Solutions

Wooden surfaces are meant to last a lifetime but choosing the right coating to preserve the beauty of wood can be confusing. WoodTech range of products help you choose the right wood finish for every space.
