## Why we do what we do?

Read what others have to say about our San Assure Services.

"After my parents & grandmother underwent the CoVID-19 treatment, I decided to go for sanitization services by Asian Paints San Assure. The exteriors and interiors of my home were sanitized with utmost care. The job was done diligently and we were extremely satisfied.

I will personally recommend Asian Paints to all my relatives, friends & colleagues."

“ **Debaditya Ghosh, Kolkata**  
Service - San Assure

"Glad to say that San Assure service by Asian Paints, is really very good. The professionalism and execution of all trained applicators was excellent. They were very organised, on time & took good care of all furniture.

The site supervisor also answered all our queries promptly and efficiently. I would rate the service as a 10/10."

“ **Geeta Pandey, New Delhi**  
Service - San Assure

"Having previously experienced the Asian Paints' painting service, I decided to explore their sanitization service – San Assure . We got all our interior, exterior, balcony and common areas sanitized. Being executed with utmost attention & safety measures, we would strongly recommend the service."
